

Customs formalities at MCH Beaulieu Lausanne

Dear Exhibitors

Following the reorganisation of customs facilities, MCH Beaulieu Lausanne no longer has access to local customs offices or a forwarding agent.

All customs formalities must be completed at the border. Please check the opening hours of your nearest customs offices:

- Vallorbe <http://www.pwebapps.ezv.admin.ch/apps/dst/dst/print?id=720&lang=4>
- Bardonnex <http://www.pwebapps.ezv.admin.ch/apps/dst/dst/print?id=322&lang=4>
- Other offices <https://www.ezv.admin.ch/ezv/en/home/teaser-homepage/focus-teaser/customs-office-opening-hours-in-new-app.html>

You may also make a written self-declaration; for further information, please see <https://www.ezv.admin.ch/ezv/en/home/information-individuals/declaring-goods/importation-into-switzerland/declaring-goods/declaration-box.html>

To ensure that formalities are completed as required, we suggest that you contact a forwarding agent for assistance with your arrival and departure arrangements (into and out of Switzerland).
